मुख्यमंत्री, उत्तराखण्ड

Respected Sir,

I have been complaining to the administration since past 15 months. A reputed Bachelor Scientist Retired from DEAL, DRDO, Raipur who was sent to Antartica for 15 months expedition by MOD, his house is fraudulently sold by his 2 step sisters. I am the real blood relative newphew of him.

This Registered Will 2 pages were replaced from within the Registration Department between July 2024 - Dec - 2024,
which can be seen in the attached Registered Will (Certified Copy) where page no. 3 & 4 are changed. I met SIT (formed during Virmani Exposure), Police Dept. ,CO Police bhawan and DM office in this period This Will was in my name and as i Live in Vadodara, these people took the advantage of this. The house location of this is 6,Kanan Kunj Society, Beside Times Square Mall, Sahastradhara Road, Dehradun (Opp,Healing Touch Hospital).

These step sisters gave Power of Attorney to the house maid to sell the house, also she was shown resident of the same house. The house was sold to first person who sold it to another person, my house demolished, they also encroached upon adjacent forest land of around 300 sq.meters of crores of rupees.

I am approaching you Sir ,to kindly get this examined thoroughly as the system has become highly porous and people are taking advantage of this.

Attachment - Tampered Will
- Correspondernce letter
- POA of the house maid

thanking you,
